EXPERIENCE

North Star Media • Miami, FL

Founder & Web Designer (Mar 2017 - Present)

Founded a company which focuses on providing digital marketing solutions, web and graphic design for brands and agencies.

Spark Medical Marketing • Boca Raton, FL

Lead Web Developer (Oct 2020 - Present)

My role at Spark Medical Marketing involved designing & developing websites for clients in the medical aesthetics industry, as well as creating new protocols and documentation for the web development team.

Freight Hub Group • Miami, FL

Frontend Web Developer - Freelance (Oct 2019 - Oct 2020)

Working with the marketing department of Freight Hub Group, my role involved the designing, building and maintaining of current and new websites/landing pages while ensuring they are Google Search optimized.

MEV Studios • Miami, FL

Lead Digital Designer - Freelance (Jan 2019 - Oct 2019)

My role at MEV Studios included designing & building websites for clients from many different industries, as well as running web analytics, social media/Google ads reporting, SEO and client management.

Lani Kai Island Resort • Fort Myers, FL

Web Design Specialist - Freelance (Apr 2017 - Present)

Working with hotel management and the Lani Kai's marketing team, I create in-house graphics and advertisements while also developing the resort's websites and online presence for their various properties, restaurants and events.

Eventim UK • London, England

Designer & Web Editor (Aug 2016 - Nov 2016)

I managed the company's ecommerce website (including ongoing development of the site). Also, supported the marketing team in the conception, design and execution of all creative projects.

Éthologie by Jasper Garvida • London, England

Lead Graphic Designer (Apr 2015 - Jul 2015)

I managed a small team of graphic design interns while developing the Éthologie/Allegorie website and helped create sponsorship proposals for the Spring/Summer 2016 fashion show.
